VIRTUAL INTERNATIONAL JOB FAIR

MARCH 21-24 21 PROGRAMME 21-22 LIVE CHAT 21-24 INTERVIEWS

REGISTER NOW!

FINDE.U is a University partnership with ca. 60,000 students and nearly 110,000 graduates / “alumni”, covering virtually all of the graduate occupational areas, from Engineering & Technology to Management and Law, from Medicine to Arts.

The event is also being promoted, both in Portugal and in Spain, among the graduate jobseekers registered in the public employment services, in the national University & Polytechnic networks, with graduate professional associations / orders and other relevant stakeholders, as well as on EURES social media all over Europe.

We expect **ca. 5,000 online participants** joining the event. Many of them with solid language skills, some with international experience (e.g. Erasmus, Voluntary Service) and willing to move abroad.

HOW TO PARTICIPATE?

You can:

- actively promote your recruitment needs, either they are **jobs, traineeships / graduate programmes** or **research opportunities**;
- have a pre-recorded **video presentation** on your company’s recruitment needs streamed to jobseekers Europe-wide; interaction possibilities available via public moderated chat;
- openly explore spontaneous contacts with online jobseekers, through one-to-one **live chat**;
- schedule and conduct online **recruitment interviews** with pre-selected applicants.

Register up until March 13th at the latest!
