

Pharmacist for VITUSAPOTEK Oslo, Noruega

<https://www.vitusapotek.no/>

Vitusapotek is a pharmacy chain with over 300 large and small pharmacies spread throughout Norway. We love people and like to help, whether it's about getting well, preventing health problems or increasing personal well-being. This means that each working day offers varied and exciting challenges. We are always looking for opportunities to further develop Vitusapotek in the direction customers want. Vitusapotek is owned by Norsk Medisinaldepot AS (NMD), which is one of Norway's largest suppliers of medicines and health-related products. Read more at www.vitusapotek.no

Job description	Customer service over the counter and prescription handling. Special assignments based on competence and experience. Together with your colleagues, make a positive contribution to achieving the pharmacy's goals. It is nice if you like collaboration and are positive, welcoming with customers and employees, contribute to well-being and the good working environment. You see solutions not limitations - take your own initiative to find these solutions. You are dutiful - take responsibility for work to be done and complete tasks. You are open to change - not afraid of new challenges.
Skills requirements:	Pharmacy bachelor or master degree
Type of work contract:	Permanent / Full time (37.5 hours per week)
Place of work	Pharmacy in district – by further agreement
Salary	By further agreement. Annual: about 500 000-650 000 NOK (about 50-65 000 €) - depends on qualifications
