

## CHEFS ROMME ALPIN RESTAURANTS

### About our restaurants

**The lodge restaurant**, with high ceilings and a large fireplace, serves up our very popular buffet with a varying theme every evening.

At the **“Wårdshuset”**, here we serve homemade and nutritious Swedish home dishes, based largely on ingredients sourced from local suppliers in Dalarna.

In the staff restaurant, our employees can choose from several hot dishes every day.

**“Toppstugan”** offers miles-long views and an à la carte restaurant with table service. In addition, a café, two bars and an outdoor grill on the terrace. A few evenings a week we also have our popular fondue evening.

In **“Våffelstugan”** we serve a very large number of waffles, all prepared from our own batter and served with our homemade jams. We also prepare a range of simpler dishes. Café, bar and serving on a large terrace completes “Våffelstugan's” range.

### About the job as Chef

As a cook or prep cook with us, your work mainly consists of preparing and serving food. You plan for the coming days tasks, ensure that your station is always well prepared and cleaned. You are helpful when ordering goods by letting us know how much is needed or if something is about to run out. You are happy to move into other departments when necessary and delegate simpler tasks, e.g., to kitchen assistants. We are looking for full-time and part-time chefs during December-April.

### Job requirements

#### Who are we looking for?

We are looking for you who are passionate about cooking, want to develop and learn new things. You are organized, responsible and have a good sense of detail. You lack prestige and are happy to step in where you are most needed. You like to work in teams, are flexible, efficient and cooperative. You are good at solving situations that arise, all so that both guests and colleagues feel satisfied.

We would like for you to have industry experience with education or professional experience in commercial kitchens/restaurants. You are therefore well invested in food hygiene and HACCP and have knowledge of allergies and special diets.

## Employer

### About Romme Alpin

Romme Alpin is located 13 km outside Borlänge in southern Dalarna and is Sweden's largest ski resort outside the mountain world. Romme Alpin is open seven days a week during the winter season. The short journey attracts many guests from Stockholm and other cities in central Sweden.

Romme Alpin's Ski Lodge is one of Dalarna's largest with 700 beds. There in the center of our facility are several of our restaurants. We have placed 2 additional restaurants on top of our two mountains.

Romme Alpin's guests all have a great interest in skiing and high expectations of being well taken care of. They want to eat, drink, and live well. Our task is to give them an equally wonderful experience at the hotel and in our various restaurants that they will have on the ski slopes.

Most of our ski guests are here during weekends and holidays. That means that we work when others are free.
